

FMAA Student Intent To Promote Form

** All students who are between the ages of 7 (second grade) and 17 must have an Intent To Promote (ITP) form completed and returned by the date noted on the bottom of this page. Your ITP form must be signed by a teacher and a parent/guardian.*

For the Parents

_____ is due to promote to _____ belt at our next promotion. Here at Family Martial Arts Academy **respect, responsibility, and discipline** are the key elements of a successful student. We tell all of our students that even before they are black belts they must **act and train like black belts**. The ITP form is an opportunity for you to talk to your child about his/her behaviors at home. With your permission we will promote your child to his/her next rank at FMAA's next Belt Promotion.

Here are some key points you may want to consider when discussing 'at home behaviors' with your child:

- Respect to family members
- Completes Chores the first time asked
- Goes to bed on time
- Listens to Parents the first time
- Does not use karate on family members, furniture, pets, etc...

- _____

(optional) "How has training at FMAA positively impacted your child?"

Parent Signature

For the Teacher...

Does the above named child consistently show respect, responsibility, and discipline in your classroom?

Yes No

(optional) "**How has training at FMAA positively impacted this student?**"

Teacher Signature

***Would you like a guest speaker in your classroom?** Shihan Joel Levy, M.Ed. is available to speak about 'Character in the classroom' and relate it to any current issue you would like addressed. This talk is FREE to any teacher of a Family Martial Arts Academy student. Call to schedule... (732) 296-1677 or email Shihan Levy at jlevy@safekarate.com
